01:05:40 ashley mcmillan: That "at will" is the kiss of death!  
01:07:17 Another fly on the wall: Crazy that someone can literally be silent for 3+ hours in a meeting, deliver a speech that doesnt name sonnet, and then have a conflict instigated against them by her but still be regarded as the trouble maker.

01:39:10 ashley mcmillan: Ok  
01:43:17 Brooke Eugin: my name is brooke eugin & i was a resident of washington parish for 30 years. i worked for washington parish library for about 3 years. up until i was employed there i was unsure of what i wanted to do in life. working for Sonnet was the best thing that

could've happened to me. she is passionate and fights for not only our library, but all libraries which is what should be done. because ALL people deserve the type of library she runs. i had so many people tell me when i ran the franklinton branch that the atmosphere had changed and they loved it. and that is because of Sonnet! it is because of her i will be pursuing a degree in library science. terminating her would be the downfall of the library. I miss you Sonnet & miss working with you!

01:51:06 ashley mcmillan: Thank you!!

01:52:19 ashley mcmillan: Absolutely!

01:53:04 Brooke Eugin: atlas and i are jumping with joy!
